

2016-17 LUNCH MENU

**Updated March 6, 2017*

Students may bring sack lunch or purchase a hot lunch from our kitchen. A separate lunch card can be purchased from the business office for students in *Preschool through 6th grade*. A minimum of \$50.00 must be prepaid to the card. Only prepaid lunch cards will be distributed to students. When the balance reaches \$15.00, an email reminder will be sent to parents alerting them that funds need to be added to the card. When the balance reaches zero, the cashier will receive a notification. The student will be able to eat that meal and the card will have to be remitted at that time. Once funds have been added to the card, the student will have the card returned to them. Students in *7th-12th* can purchase lunch by cash or debit card. *Elementary students may also purchase a salad (with meat and cheese) and a drink for the same cost as the regular lunch.**
