RE: PSAT/NMSQT Exam

Greetings MVCS Parents,

Mountain View Christian High School will be offering the PSAT/NMSQT Exam on Wednesday, October 16, 2019. The exam score is official for *juniors*, and serves as a warm-up for *sophomores*. The test provides our students an opportunity to analyze their test scores for college preparation. Scores from the tests are also released to scholarship granting organizations throughout the United States, providing your student with exposure to scholarship award programs.

There is an exam fee of \$16. This fee includes the exam, a score report, and a personalized PSAT/NMSQT college planning kit online at www.collegeboard.com/quickstart that can be accessed by using the code printed on your child's score report. Your son/daughter will be given a student handbook that includes test taking help for the PSAT/NMSQT, information about the National Merit Scholarship Program, and a full-length PSAT practice test. Please review page 7 of the 2019-20 MVCS Student/Parent Handbook for additional information about this exam.

The PSAT/NMSQT is an invaluable tool to be used in assessing your child's college and career choices. Please detach and return the form at the bottom of this page indicating whether your child will take the PSAT/NMSQT exam and receive the score reports. **The form is due in our office by Wednesday, September 11, 2019.**

Please contact any member of the MVCS Guidance team for questions and/or your testing needs.
