

Preschool Walking- 5 years

Mountain View Christian School (MVCS) has proudly served the Las Vegas community since 1983, offering a Christ- centered education from preschool through 12th grade. Our Early Education Department provides a loving, faith-filled environment for infants through Pre-Kindergarten, where young learners thrive. With a balance of hands-on exploration and structured curriculum, our two- to four-year- old classes foster creativity, curiosity, and foundational skills in a nurturing setting. Come see why families trust MVCS to give their little ones the best start in life!
